HRDGA v CCDGA – Artie Mollett Shield

Maitland Golf Club 30 April, 2006

The annual match against the Central Coast DGA saw the introduction of a new format. With increasing numbers of golfers in the Veteran ranks they have now been included in our inter district matches, albeit only 3 players.

The new format, and a home ground advantage did little to prevent the visiting district, complete with a name change (formerly Brisbane Waters) to prevent our team from a hammering to the tune of 12 matches to 6.

Maitland hosted the event and provided a course in magnificent condition, and conducive to sub par golf.

Our golfers from the oldest and youngest ranks i.e. juniors and vets were spanked to the tune of 5 – 1 and 3 – 0, which was quite unexpected.

The A graders managed to draw their matches, whilst our Colts won 2 – 1.

Full results are detailed below.

HRDGA v Newcastle DGA – P.R. WEST Shield

Nelson Bay Golf Club 26 June, 2006

Newcastle retained the coveted P. R. West Shield when it dished out a hiding to the Hunter team at Nelson Bay on Sunday the 26 June, 2006.

The result was of such proportions that the Hunter team were bleeding as profusely as the steak served up for lunch.

The overall result of 13 ½ - 4 ½ matches was flattering considering the fact that one of the Newcastle representatives failed to front and a Newcastle supporter was plucked from the crowd and thrown in at the deep end, eventually losing his match by a large margin.

The only positives which could be taken from the result was the performance of the “old timers”, who drew their three matches against the Newcastle vets, including players of the calibre of Mick Dodd.

Best for the Hunter side were Matt Chapman, Bruce Hector, Dave Morgan and promising junior Luke Gageler, with Graham Flynn drawing his match.

JUNIOR 4 WAY - Col Johnson Shield Team

Played at Wingham on Saturday 11 & Sunday the 12th November, 2006

The team consisted of

Justin Smart (Score)

Andrew Marriott (Maitland)

Cameron Benkovic **(Muswellbrook)**

Daniel Rigby **(The Oaks)**

Matthew Kelly **(The Oaks)**

Mitchell Butler **(Singleton)**

Sam Tudor **(Maitland)**

District Officials Geoff Towns & Steve Lill

The team headed off from Maitland Golf Club on Saturday morning at 10:00am and special thanks must be given to the parents for having the boys there on time. The team consisted of a wide representation of our District young golfers.

The venue for the tournament was Wingham Golf Course and the on course accommodation and meals were prearranged by the Lower North Coast District. The people from this district were Ray Robbins & Col Cook and Ray Bellamy, special thanks must go these guys for a great job done.

Saturday afternoon saw our team play Lower North Coast (LNC) where we were successful to the tune of 5½ to 1½.

The manager (Mark) from the on course Motel had a son playing in the event representing LNC and took some shots of all the players during the first rounds. Later that night Mark put the photo's up on the clubs TV screen for everyone to have a look at.

Sunday saw a 7:00am start for a hearty country breakfast (Bacon & Egg rolls) and the first group was teed up and away by 7:45am with the last group finishing about 12:30pm

The Hunter boys were a little unlucky on Sunday in both rounds with 2 or 3 boys losing 1 down. The Competition finished with Newcastle District on 13½, Central Coast 13, HRDGA 9½ and Lower North Coast 6.

Overall I felt that all of the boys represented our District, Clubs and Parents really well. The motel manager at presentation said that all of the groups from each district behaved well and were a pleasure to have stay at his Motel.

The lad chosen to represent our District at the **Talented Athletes Program** will be **Daniel Rigby** from **The Oaks**.
